

SERVANTS HELPING IN THE MINISTRY

March, 2023

*"He is not here:  
for he is risen, as he said.  
Come, see the place where the  
Lord lay." -Matthew 28:6*

on March 31. The job that these men were working on was completed, and they have all gone back to Saipan. Please pray in particular for Michael, Ryan, Joseph, and Allen. Please pray for Rey Asahan as he continues to witness to them. They need Christ, and your prayers will be greatly appreciated.

Greetings From Tinian,

In Matthew 28, the angel heralded the greatest news of all time. He announced the resurrection of Jesus Christ. He died for our sins, was buried, and on the third day, He arose. Without the resurrection of Jesus Christ, we would still be in our sins, we would have no hope in this life, we would be doomed to an eternity in hell, and for sure we would be of all men most miserable. **"But now is Christ risen from the dead, and become the firstfruits of them that slept."** I Corinthians 15:20 We praise God that Jesus rose from the dead because it assures us of our salvation, justifies us from our sins, and guarantees us a home in heaven. We continue to serve God because of the resurrection of Jesus Christ. We are encouraged to keep on keeping on because of the resurrection of Jesus Christ. Our hearts are full of joy and peace because of the resurrection of Jesus Christ. Our missionary endeavors are worth every moment because of the resurrection of Jesus Christ. Hallelujah, Jesus is risen!!

As we close the month of March and begin the month of April, we take the time to celebrate the resurrection of Jesus Christ on what is traditionally called Easter Sunday. I prefer to call it Resurrection Sunday. This year that is April 9. By the time you get this letter, Resurrection Sunday may well have passed, but the truth of the resurrection lives on forever! May God bless each and every one of you as you reflect on the great victory that Jesus Christ had over death and the grave, and may your hearts be filled with thanks to God which giveth us the victory through our Lord Jesus Christ. I Corinthians 15:55-58

In our last letter we mentioned a Bible study that God allowed us to start. While I am thankful that the Bible study went well and am grateful for the opportunity to witness to several lost men, I am saddened that the Bible study came to an end

As we continue to minister here in Tinian, we ask you to continue to pray. There is a thick cloud of spiritual darkness that hovers over this island, and the devil has certainly blinded the people here. Continue to pray that we will be effective in our witness to the many who sit in darkness. Continue to pray as we minister to the small flock of Calvary Baptist Church. We thank God for those who have given their lives to Christ and continue to be faithful in their walk with God. We are thankful for an American lady who visited the church twice this month

Marilee has been blessed to hold a ladies Bible study on one Tuesday night of each month, and that continues to be blessing to her as well as to the ladies of our church.

There is not much more to report, except that some of our month was spent getting ready for Resurrection Sunday. We have been teaching the church some new songs that so wonderfully tell the great story of Christ's resurrection. One lady in our church designed and constructed two banners for us to display both inside and outside the church. The banners say it all. HALLELUJAH, JESUS IS RISEN.

God continues to bless our work here, and we thank you for your prayers. Continue to pray for the people of Tinian. Pray for Calvary Baptist Church. Pray that we will be the salt and the light God expects us to be. Pray that we will remain healthy. Pray that we will continue to be a help to the Workmans and a blessing and an encouragement to the dear folks here at Calvary. God bless each and every one of you, and thank you again for your prayers and support.
