Dear Friends,

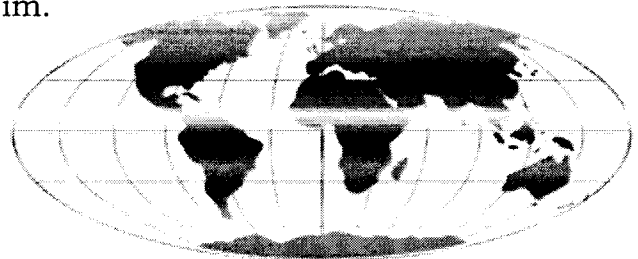

Thank you ever so much for your faithful prayer and support for our family as we seek to serve the Lord in missions around the world. Our hearts have been blessed as we seek each day to fulfill our purpose of encouraging, educating, equipping, edifying, and evangelizing in the cause of the Great Commission. Your prayers have empowered our ministry, encouraged our hearts, and increased our vision in missions.

The first ten weeks of the year gave us eight opportunities to help churches with their Faith Promise giving. We are pleased to report that over \$300,000.00 was promised in these conferences. We saw four people saved during the course of these gatherings and four other people called to serve Him. Also, the Lord has allowed us to be a part of seeing several families added to the work of the ministry. We are confident you share in our rejoicing of God's goodness.

We praise the Lord for his watch-care over and provision for us. John, Kim and I spent our first night in the house many of you have helped us build on February 18th. *Proverbs 13:19a* "The desire accomplished is sweet to the soul..." Having spent ten years serving Him from our RV, we are not quite sure what to do with ourselves in a house that does not move. Yet, we know this is a better investment and wiser stewardship of His resources. We truly are indebted to the men of our agency who made this all possible.

The months ahead will bring us to fields of service for encouragement; places of training for enlistment, and to churches to help equip them for the task of fulfilling the command of our Lord for world evangelization. We rely on your prayers to pave the way for our work for Him.

Please pray for power in our preaching, wisdom in training, safety in our travels, and sensitivity in giving direction to those seeking His will for their lives.

Thank you,

John M. O'Malley
