

The O'Malley's Newsletter

Summer, 2006

Without you...

Your investment in our ministry each month allows us in your stead to help missionaries on a daily basis, enlist new workers for the field, encourage missionaries who are hurting, and strengthen churches in their involvement and investment in missions. Without you we could not do that which God has called us to do for Him. Thank you!

Canada Trip

I visited one of our church planters in North Bay, Ontario. Ernest and Darlene Bauserman are doing a wonderful work in this lakeside community. My heart was stirred again for personal evangelism as I saw their labors for our Lord in the

four days I spent with them. Remember to pray for their work as they plant this church. Without you I could not have visited them to provide encouragement and fellowship they needed.

Family Fellowship Week

Each year WWNTBM convenes for a national meeting with our missionary families. This year at our meeting God spoke to many hearts as we used the time to bring edification and encouragement through the preaching of the Word and times of fellowship.

During this meeting the Pastors whose churches govern our agency asked me to become the General

Director of the Mission. The work you support me to do will continue to be done, just with increased responsibility and greater accountability. It is no small honor to lead our missions agency in this role. Please pray for the appropriate stewardship of my time and leadership of the Holy Spirit. Without you, I would not be able to partner with over 75 families around the world through our agency.

Missions Conferences

The past quarter brought me to speak in seven missions conferences. The churches where I spoke demonstrated faith in an overwhelming manner with commitments to give to missions totaling over \$200,000.00. Because you are faithful we are able to help churches just like yours in their missions giving, which is vital to the work of missions globally. Without your involvement and investment this would not happen. May God bless you,
