DEAR PRAYING FRIENDS,

Excitement marks our days of service as we watch the Lord working in churches, mission fields and the colleges we have visited. Your support makes our ministry of evangelizing the lost, equipping, and encouraging missionaries possible.

Since I last wrote I have visited missionaries twice in the Caribbean and in two countries in Africa. God's blessing was evident in the salvation decisions and strengthening of the believers. Thank you for enabling us to go in your stead. While in Ghana, I met with the Chief over the village of one of our missionaries. He also came to the services we held. Please pray for him. He is not feeling well.

Our Candidate training classes went well. We had over eight

families join us. They are all on deputation now.

I spoke in college chapel services and visited Bible college campuses on the West and East coasts. God is using this aspect of our ministry to help young men and women determine God's will and where He would have them serve.

I have several more missionaries in the application process who will be interviewed for missionary service. Please pray for them and us. My calling is to be used by God to help get the world another missionary and to strengthen the ones we have. Your investment makes this possible.

Thank you!

John and Kim O'Malley
