Dear Praying Friends,

Since mid August I've preached the unsearchable riches of Christ in nine states. Each meeting allowed me the opportunity to extend your missions ministry and fulfill God's calling. It is His call and my desire to help get missionaries to the mission field. With every missions conference, special meeting, one-on-one session with potential servants, and ministry trip it is my desire to reach as many souls as possible with the Gospel and the need to proclaim it.

The past ten weeks allowed many ministry opportunities. I was in eight **Missions Conferences**. I saw God's people commit to support missions at an increased amount from last year. The commitments came in above \$200,000.00. There were two churches this fall where it was their **first time to have Faith Promise** in their church. At the beginning of the school year, I spoke at a **Youth Camp** at Camp CoBeAc for Faith Baptist Schools of Davison, MI. God gave a wonderful ministry amongst the seventy-five 10th-12th graders. I had time to speak to many individually and am keeping in touch with them. In other **special services**, God moved in hearts for His people to walk closer, serve more, and witness more. Thank you for allowing me the privilege to represent you in this mission work.

Presently, I am working with a dozen people who are contemplating the next step in their lives for Christian service in missions. Some are at the place of choosing where to go, others are determining when to go, and still others are settling the call of God in their lives. Please pray for them as God separates them for the work He's called them to do.

Our son, John, is a Junior at Golden State Baptist College in California. We are looking forward to a few days together in November for Thanksgiving with him. Kim and I continue to enjoy the work where God has placed us. She is serving as Office Manager for World Wide New Testament Baptist Missions. Please pray for both Kim and my son as I travel to preach and assist missionaries across the globe.

In December I will travel to Burma (Myanmar) along with several others to train men in the ministry. In January I will be a part of a team of three going to meet with a translation committee in Kurdistan, northern Iraq. The committee will soon begin translating the Word of God for the precious souls who have no reliable translation in their own language. Pray for safety, wisdom, power with God and favor with man in these areas where Satan has strongholds amongst governments and religion.

Please visit our website to download **The O'Podcast** where messages are posted from services around the country.

Your support and prayers make the difference in our ministry. Thank you,

John O'Malley
