"I must work the works of him that sent me, while it is day: the night cometh, when no man can work." John 9:4

## A TIME FOR CONFERENCES, TRAINING, PREACHING AND EVANGELIZING

Ps. 100:5 For the LORD is good; his mercy is everlasting; and his truth endureth to all generations.

June was a month of traveling and training. Our annual Family Fellowship Week was held in New Bern, NC.

It was the 40<sup>th</sup> meeting for our missions agency. Pastor and Founder Bill Wingard was honored for his vision, persistence, and service to our Lord in missions. It was a delight to have a small part in those services.

Over 150 people, connected with our missions agency were in attendance. The theme for the conference was "Finishing the Course."

God opened doors for me to preach in five states and seven churches in the past eight weeks. It is exciting to see God save souls, call folks in the ministry, and raise up a generation of harvest laborers for the cause of Christ.

I regularly communicate with people searching and discerning God's will for them in missions. Do pray that I will be sensitive and attentive to the work God is doing in

people's lives and in my own. It is my calling to help people get to the field of God's calling.

John is home from college and working to get back into college for his senior year. Kim labors tirelessly in the missions office. We count ourselves blessed to serve the Lord with you.
