

# JOHN O'MALLEY

Second Quarter, 2011

Dear Praying Friend,

This quarter brought both ministry and personal milestones.

Our son graduated from Golden State Baptist College. We returned to do a missions conference in the very first church that took us on for support 19 years ago. We also held our 41st annual Family Fellowship Week.

Pictured at the top is Danny Whetstone and Bryan, one of the men from New Testament Baptist Church, in Kinston, NC where Family Fellowship Week was held. The middle photo is a special moment where we honored the Clines for their service to the Lord. The Lord has used them on special assignments around the globe in missions.

Upon returning in April from my missions trip in the Pacific, I conducted five missions conferences and other special missions Sundays. The Lord blessed His people with a capacity of faith that yielded increases in their budgets in each church.

We attended John's graduation in Santa Clara, CA. Several from our extended family attended. John has returned for his Master's degree in Bible Studies. He is waiting on the Lord for opportunities to serve after graduation.

Our ministry successes are because of your faithfulness.

Thank you!

John M. O'Malley
