

## JOHN O'MALLEY

First Quarter, 2012

Dear Pastor,

This quarter, the Lord was so good to us with the thousands of miles flown, driven, and sailed. I am eager to share with you this great news.

In January, I began the year with two special meetings. I praise the Lord for the response of God's people in Virginia and North Carolina for developing a passion for souls, personal commitment, and giving. It was blessing to watch a church begin Faith Promise giving again after not having done it in decades. I will return to that church in the summer for a Faith Promise tune-up.

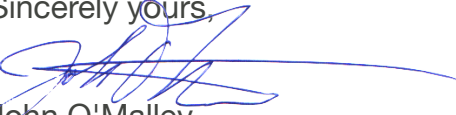

In February, I preached a missions conference in South Carolina. Also, Kim and I celebrated our 26th wedding anniversary and my 48th birthday. We were able to spend two days together celebrating before I left for Burma.

The Lord truly did a wonderful work in Burma. My pastor, Barry Goodman, Danny Whetstone, and I travelled to this distant land in a mere 35 hours. It took Adoniram Judson four months to make the same trip. I spoke for three hours each day to 43 pastors and 150 college students on the book of First Corinthians. God blessed many, but I think, He blessed me more. I enjoyed seeing these believers grasp the simplicity of the Word of God. Pray for our brethren in this needy place.

I returned from Burma to four back-to-back missions conferences in three states. For one of those conferences, I took a ferry each way to the services. I've never sailed to a meeting in a car. The Lord blessed in that conference as the church exceeded their goal by 70%.

Pray for safety in my travels, effectiveness in our ministry, missionaries to be sent by their churches, and souls to be saved. We praise the Lord for those that were saved this quarter in our meetings.

Sincerely yours,

John O'Malley
