

JOHN O'MALLEY

Third Quarter 2012

Dear Pastor and Friends,

The Lord's goodness was fully manifested to us during the months of August and September. My mother, Barbara, who lives with us in Kings Mountain, experienced a heart attack while at home. She was admitted to the hospital and remained there for three weeks. While those were difficult days for us, God was good. The next week I had a four inch by two inch noncancerous cyst removed from my head. My mother and I are both doing well.

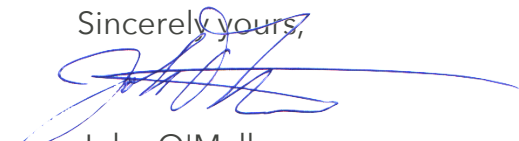

During September I visited Ontario, Canada and helped with a government audit of WWNTBM's Canadian office. The Lord allowed me to witness to the auditor. I also preached in Near North Baptist Church in North Bay. The Lord blessed during that visit.

I took part in ten missions conferences during this quarter and two special meetings. The Lord blessed in every conference with Faith Promise commitments increasing in most of them. The commitment totals in all these conferences exceeded \$400,000.00.

The Lord allowed me to take part in the missions conference at Ambassador Baptist College in North Carolina. I taught in classes, spoke during Missions Prayer Band, and met one on one with many students. Three students made commitments to apply with our missions agency for future missionary service. I will return to Ambassador to speak to future missionaries in November.

Without your support, I could not reach the lost with the Gospel. I could not help church planters, serve churches, nor work with missionary applicants. It is my desire to honor the Lord in this work and to extend your ministry to the regions beyond. Thank you for your prayers and concern for our family.

Sincerely yours,

John O'Malley
