

First Quarter, 2015

Dear Friends,

What a wonderful thing it is when God gives life, health, and opportunity to preach the Gospel and see people trust Christ as Savior. 2015 is here and is filled with such opportunities for the O'Malleys.

During the First Quarter of this year God allowed me to preach and present missions in 11 churches. We helped these churches in their missions efforts in different states. I even got to preach in my home church's Faith Promise Sunday. I love our home church, Faith Baptist Church in Shelby, NC.

Kim and I spoke in a couple conference in Tennessee. We had a precious time together and with these couples from our home church. We also celebrated 29 years of marriage at that conference. What a joy to realize we've given our lives to the Lord's work for just as long.

I taught at Ambassador Baptist College at the end of March. I love being able to interact and take time to influence young people for the Lord's work. While in the area of the college I met with an a local Pastor to partner in assisting an Ambassador student with their required ministry internship this year.

I love Preacher's kids. This Caleb Wiley. He is the Son of Pastor Jason and Angie Wiley of Palm Harbor, FL.

The Lord gave a wonderful time in a church in Fort Walton Beach, Florida at their Missions Conference. I met friends from Alaska and Georgia in that church. There was such a sweet spirit in their missions conference. I found the same spirit at another church, in Palm Harbor, Florida. Kim also spoke in a Ladies Conference in Palm Harbor, Florida two weeks after I was there. Over 150 ladies came for the sessions. God used Kim in a special way.

Our son, John moved to Wilmington, NC. He is about four hours away from home. He is the Branch Manager at the airport in Wilmington. The Lord has blessed John. We are proud of him.

Please pray for us concerning health and safety. Pray for us as we make plans to visit missionaries in South America this Summer.

Serving Him,

John O'Malley
