

August 2014

Dear Praying Friend,

Thank you for praying for us. Your petitions to the Lord for our safety, support needs, and strength are appreciated.

Family Fellowship Week of World Wide New Testament Baptist Missions was a huge success. Dozens of missionary families attended and received help from the Lord. Thank you for praying.

On August 25, Kim and I will leave for South America. We will visit six missionary families with our agency. We desire to be an encouragement to these families as we visit their ministry works. We will visit Chile, Peru, and Brazil.

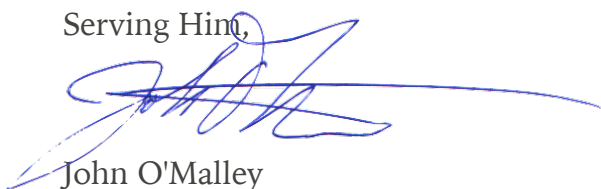

Taking a trip like this for Kim and me is unprecedented. Would you pray for:

- our safety.
- God to use us.
- God to open doors for evangelism.
- God to supply the financial needs for this trip.

Your passion to see the world for Christ is ours. Your desire to see missionaries assisted and encouraged is mutual. Could you assist with a gift to defray the expenses of this trip? The cost will be over \$4500.00.

Please pray for our missions office staff. They will carry a heavier load with Kim's absence during this trip. Pray for my mother, who lives with us, during our absence.

Serving Him,

John O'Malley
