

FROM THE DESK OF

JOHN AND KIM O'MALLEY

September - October, 2017

Dear friend of the O'Malleys,

When a church obeys the Great Commission, they seek partners to help them reach the "*uttermost parts of the earth*." It is our joy to be your partners in the work of evangelizing the lost. It is our passion and delight to encourage missionary laborers on your behalf.

Because of your support, I meet with missionaries six times per month to encourage and equip them. We meet via video software so they can see and hear each other. Up to twenty-five missionaries can join the weekly calls. You can listen to these weekly messages of encouragement. Please visit UpliftForServants.com to listen.

Our son married Hannah Staley on September 23, 2017. It was a day of pure joy and celebration. I did not think our hearts could love more than one child. When we met Hannah, we found we could love two. They are living in NC.

During these past months, I participated in two missionary interviews and one ordination. It is a blessing to watch people go forth to do the work of God. The men interviewed will serve Arabic speakers in Europe and the Middle East.

I realize, were it not for your support; I could not be where God's people need the word of God and strengthening. You make my ministry possible. Your support enables me to be where God opens the door and do the work of missions. Please continue to pray for us.

Sincerely yours,

John O'Malley
