

# THE O'MALLEYS

---

June-July, 2020

Dear Friend and Supporter,

Prayer was the theme of my COVID-19 stay in place orders. God allowed me to hold a 75-day prayer meeting online. Daily we prayed for those in fear, those who were sick, and those who suffered. More than 1000 people viewed the prayer meeting each day.

I would not have attempted a venture like this in ordinary times. Yet, God led in this meeting and strengthened in people their faith. On the last day of the prayer meeting, one viewer said, "I feel like my umbilical cord was cut." Pastors encouraged their members to pray with me. During the prayer meeting, many testified they found hope from God's word. Viewers drew encouragement from the guests. The prayer partners sensed strength from the community of believers who prayed with them.

During this season, God gave us doors of opportunity. Like Paul, these doors came with adversaries and successes. God blessed.

God gave me open doors to preach, teach, encourage, and help churches. I preached missions conferences. I taught classes, spoke with youth and young married couples. I met with dozens of quarantined missionaries. I did this and the Ninth Hour Prayer Meeting from here in Kings Mountain.

Without your praying, giving, caring, we could not serve in missions. Without you, we could not reach the lost. We could not assist church planters. We would not be in place to strengthen or help new missionaries. Thank you for making this work God called us to do possible.

Your prayers empower us with the Holy Spirit. Your interceding for us keeps us safe. Your petitioning God brings His answers. We know His power, sense His protection, and receive His provision because you pray.

Paul said to Corinth, prayer helped him. I know your prayer helps us. Thank you!

Yours for the harvest,

John O'Malley

*We dressed up for Resurrection Sunday to watch the livestream.*
