

January-February, 2021

Dear Praying Friend,

Thank you so much for your faithfulness. Your support and prayers mean the world to us. In 2020, the Lord showed Himself strong. You gave to our ministry needs. You helped us to live. Thank you.

You may remember, I became President of the mission in February 2020. I am glad to assist missionaries, lead our staff, and assist our General Director. Next month will be one year. This anniversary prompts reflection.

Recently, while on a missions agency trip, I visited Kinston, NC. After the meeting, I drove to the place where it all began for me in 1993 with World Wide New Testament Baptist Missions. In June of 1993, Brother Danny Whetstone extended an invitation to come work with World Wide. It was at this BBQ restaurant pictured here. I took time to reflect on God's goodness over these past 10,000+ days.

This year we plan two trips with SeeTheHarvest.com, World Wide's Mission Trip Program. I am to lead a group to Scotland and Boston. We will go in 2021 as the Lord leads. We have an opportunity to help send literature to the 25,000 homes we were going to letterbox. Pray God will supply the \$2500.00 needed to do so.

This year, World Wide New Testament Baptist Missions celebrates its 50th Anniversary. I am thrilled to share with you, as the Lord allows, we will celebrate this monumental day on October 5, 2021 in New Bern, NC, at the church where WWNTBM began in 1971. Please pray as I lead the endeavor to honor our history and the Lord Who brought us this far.

Please pray for missionaries on deputation. They have challenges with the necessary cancellations, scheduling, and rescheduling. COVID does not cancel the power of the Gospel.

Please pray for missionaries serving in place. Many missionaries have stringent rules in place for their ministries. Some cannot leave their city or province. Many are not allowed to hold services. Pray they will stay encouraged and for God to give them ways to reach the Lost with these health measures in place.

Please pray for the health and safety of our missionaries. Many of them face healthcare which is not the same as in the USA. Pray for their families and their emotional and mental well-being.

Yours for the harvest,
