

Headed to México

JUNE 2014

On the Road

"When we completely obey, God completely provides." How true we have found this to be!

We are reminded of Micah 6:3 where God challenges the Israelites to testify against Him. They had nothing to lay to God's charge, and we certainly haven't either! As we stepped out

immediately on fulltime deputation, we trusted in God's promises of provision for His people. As always, He has proven Himself

faithful! We are at 4% already, plus the generous gifts from the churches we have visited!

We were so blessed on our second Sunday (June 1), having dropped in on a very loving pastor's family and church. They had us back that same evening to set up our display, show our video, sing, play, and preach! Our third Sunday had been scheduled already with Hannah's

uncle Tim Daniel. We joined them for Faith Promise meetings Sunday-Wednesday, along with three other missionary families. We all had opportunity to minister through music, children's church, video presentations, and preaching. It was such a blessing being ministered to and loved on in this church.

"WHEN WE COMPLETELY OBEY, GOD COMPLETELY PROVIDES."

Saturday the 14th, we got our turn to house and teach our church's monthly adult Bible study. It was so nice to see part of our

church family again, to learn with them, and to catch up on the happenings. On our fourth Sunday (the 15th), we attended Brookhaven. Since it was both Father's Day and Hannah's Dad's birthday, we decided that was best.

That Monday through Thursday, however, we were scheduled to be in Shelby, NC for WWNTBM's family week. What a week of refreshment! It is always

PRaises:

God is setting up meetings for us!

God is providing for all our needs.

Azelia is doing ok with all the traveling.

The car held up for the trip to Idaho!

PRAYER REQUESTS:

That the Lord will prepare hearts in Mexico to accept His Word

That we will be an encouragement to many pastors, their families, and their churches

That we will have (and take) many opportunities to minister to them

That we will find prayer warriors to team with us in reaching Mexico

That we will be patient with the Lord's timing in however long it takes to get to the field

That we will not get lazy

That we will take opportunities to witness as we travel

That we will keep the Word a priority in our daily life

That we will continue to grow together as a couple

That Hannah will be able to learn much more Spanish during this time

Psa.19:14 "Let the words of my mouth, and the meditation of my heart, be acceptable in thy sight..."

such a joy to spend these four days with the WW staff, our State-side missionaries, and the hosting church family! The mornings and evenings are full of encouraging and challenging sermons from our board members and missionaries.

For the fifth Sunday, we dropped in unannounced at a pastor friend's church, but found

he was out for vacation. We enjoyed meeting his people and the preachers he had scheduled to speak in his absence.

On Monday the 23rd, we started a rather impromptu trip... to Idaho! July was our only window of opportunity this year to visit out West, and additionally, we learned that Rolando's family was up from Mexico for a while.

We made some calls, and several of the pastors that knew Rolando immediately gave him meetings for the time we would be there! We left Monday at 4pm and arrived in Idaho by 12pm

Wednesday. We planned to drop in on a church for the evening but found them doing VBS. They didn't extra need help, so they directed us to another church. There we found another very loving church that gave us a gift so generous it covered our travel expenses!!

Rolando's grandfather is allowing us to stay in his home for our time here, along with Rolando's family. We are looking forward to a great month!

Rolando, Hannah, and
Azelia Ortiz
