

Headed to México

NOV-DEC 2014

It's one day closer to His return!

God has been richly blessing us with new friends, life lessons, prayer partners, and some new financial supporters. Each step of deputation has been a challenge but also very rewarding. I would have never imagined having lunch/supper with so many of this era's spiritual leaders. Nor would I have envisioned the privilege we have on deputation to see much of the church militant, all across the nation. Having been in 55 churches in only a matter of 7 months, Hannah and I are in grateful amazement to see how God has not forgotten His bride. Some churches are battling to pay their winter bills and

"We are thankful for God's providential care in the last year and are excited to see His hand in this new year.."

some others are having more funerals than baby showers, yet God has not turned His face from His beloved. In the middle of the most trying time of Paul's life, he said in Second Timothy 2:19, "Nevertheless the foundation of God standeth sure, having this seal, The Lord knoweth them that are his. And, Let every one that nameth the name of Christ depart from iniquity." What a blessing to know that God knows each of His children personally! Not one has ever been, nor will be blotted out of His book! We know that even though not every church can support us financially, God knows both our needs

and theirs, and he knows when to give and when to withhold. Again I am reminded of the apostle Paul who said, "I know both how to be abased, and I know how to abound: every where and in all things I am instructed both to be full and to be hungry, both to abound and to suffer need." Did God not know when he was abased, hungry and suffering need? Of course He did, but there are times when God uses those things to supply our deeper need. I wonder what is harder: to learn how to do without or to learn how to do with. I thank

God that He gives us grace to live with a little.

Well, I am sure that is enough sermonizing you. We are thankful for God's providential care in the last year and are excited to see His hand in this new year.

We have not had many meetings of late, but we were blessed with a few that helped us get through the end of the year! We have been reading an account of **George Muller's** life and the way that God provided for every need. He held forth God's name for many years, and continues long after he has

gone to see his Lord. In his yearly reports, he would record every provision that the Lord sent, although he had never asked anyone but His God for those provisions. We are **challenged** also to do the same in our letters to you to hold forth the name and testimony of our Provider! We are looking forward to sharing with you again in the New Year!
