Dear Praying Friends:

Greetings and thank you for praying for us. The Lord has been good. We praised Him for His love and goodness.

I was in Kosrae on August 2-4. While on Kosrae I had the opportunity to fellowship with the believers at Calvary Baptist church in Malem. This is the church Missionary Dave Fetters is pastoring. The church has doubled its membership attendance since I visited the church in 1985. Missionary Dave Fetters is doing a great job on the island of Kosrae. It was a joy to fellowship with him, his wife, and some of the believers that I have known for many years. It was a blessing to see these believers still keeping on for the Lord.

Our Vacation Bible School that we had at our Capital Hill Baptist Church on July 24-29 has good results. Some of the children who got saved during the Vacation Bible School have been coming to church regularly. Praise the Lord.

The past two days Lihna and Sonny Jr. visited a young man (Lihna's nephew) in the hospital. This young man was stabbed by an older man in a street fight. Please pray for this young man (Marvin Weital). He is in great pain. Lihna and Sonny Jr. talked with him about his salvation. He was very interested in knowing more about the Lord. Please pray that God will open up his eyes to see his need for the Lord Jesus Christ. We will be revisiting this young man to talk to him more about the Lord.

We will be doing some repair work on our church building on August 26, 2006. We will change some of the tin roof on the building that have been rusted/deterioated . Please pray for good weather and safety of our men that will be working on the roof. Some of you have seen our church building. The roof is tall and steep. It is not easy working on a tall and steep building like ours.

Our daughter Sonya Padock left on August 14, 2006, to go back to school. Please pray for her as she seeks God's will for her life.

Our son Sonny Padock Jr. graduated from HBBI last June, 2006. He is home with us. He doesn't have a paying job yet, but he is busy and useful here. He has been preaching and helping out

doing voluntary work in our churches. Next Monday, August 21, 2006, he will be preaching in chapel at Calvary Christian Academy. Sonny Padock Jr. believes that God calls him to be an evangelist. He made that decision when he was attending HBBI in Guam. We are happy about his decision to serve the Lord in this capacity. Please pray that we will continue to be an encouragement to him as he pursue to serve the Lord in that capacity. Also pray for him.

Maylee Harry, Meriam Johnny, and Betty Obed Joseph also graduated from Harvest Baptist Bible Institute last June'2006. Meriam Johnny is back on the island. Maylee and Debbie are still in Guam. Mariam is serving in our church teaching the primary children Sunday school class. She also teaches at Calvary Christian Academy.

I praise the Lord for these young people: James Harry, Sonny Padock Jr, and Mariam Johnny. These young people are being very helpful to me in the ministry here. Please continue to pray for these young people that they will continue to keep on keeping on for the Lord.

I am praying about going on deputation. I don't think it will be soon. It will be a while before I can go on deputation because I need to raise the money for our plane tickets. I would like to take my entire family with me if I could. There are seven of us all together.

Thank you again for your prayers and support.

Sonny Padock and family.
