October 10, 2006

Greetings! We are praying and trusting that all is well.

We thank you for praying for us. Last month our men were on the roof of our church building changing the deteriorated tin roofs. We were thankful that the men were able to complete the work without anyone falling from the roof or getting hurt. Also last month we started working on our parking lot. We wanted to make a concrete parking lot for our folks to use for parking as well as use it as a basketball court. We started the work and have done the grading and the leveling. What we need to do now is to backfill it with coral, compact it, and pour a 4" concrete slab on top of it. We need more coral and cement to continue the work.

Our church folks were in U from September 25th to 29th attending the revival service at U Ambassador Baptist Church. Our folks were blessed by the strong preaching of the man of God. There were lot of salvation and dedication decisions made during the one week revival. Some of our folks were among those folks who surrendered their lives to Christ. Do you remember the couple (Kelly Keller and his wife) that I mentioned got saved in our church several months ago? They rededicated their lives to Christ during the revival. I baptized them last Sunday (October 8, 2006) at our church. Several people were also baptized. Those included Lihna's sister (Merlihma Weital), Oroleen, Karsy, and Carol. Please pray for these converts that they will continue to be faithful to the Lord.

During the revival services I led one man to the Lord. Please pray for Jack. Jack is from Pingelap island. He is currently living in Mand village, Madolenihmw municipality. Pray for Jack that he will find a place where he can worship and grow.

Pray for our family especially our son Sonny Jr. and our daughter Sonya. Sonya has hearing problem. This problem is affecting her in her work and school. Sonny Jr. is thinking about going to school but he just doesn't know how and when. He needs to work to raise some money before he can go to school. He doesn't have a paying job yet. He is doing voluntary work in preaching and helping out in our churches around the island. He is very useful here. Sonny Jr. wants to be an evangelist.

Pray that we will continue to be faithful in everythings we do for our Lord Jesus Christ. Thank you for praying and supporting us.

In His Service,

Sonny and Family
