

Padock Prayer Update

February 28, 2007

Dear Praying Friends and Supporters:

Greetings to you and your family. Trust all is well. Thank you for praying for us.

Following are some of our prayer needs that we would like you to pray with us for.

1. Pray for the family that joined our church last January. Aldeia and her three children. Aldeia professed to be saved but her husband and her three children are not. She started coming to our church in January 2007 regularly with one of her daughters and a son. Please pray for these folks. Pray for the salvation of the two daughters, the son, and the husband.

2. We had completed the coral paving of our parking lot. It looks good. The folks like it very much. We are planning to cement pave the parking lot so that it can be used also as a basketball court and a volleyball court. Pray for good weather. It rains so much on this island, we hardly can find good time to work outdoor.

3. I've never been on deputation before. I would like to go on deputation. I am saving money toward a plane ticket so I can go. I would like to go on deputation as soon as I have enough funds and as soon as I am allowed to go by the Mission Board. I like to go during year 2008 if I have not received the total monthly support I need by then. Right now I am getting approximately 25% of monthly support. I need a total of \$1,500.00.

4. Pray for the new converts, the sick, and the widows in our church. Pray that we will be a help to all of these people spiritually and physically.

5. Our youth group will be out on a retreat/picnic on the island of Dawahk this week. Please pray for their safety.

6. Please continue to pray for our daughter (Sonya) who is in Guam attending Harvest Baptist Bible Institute.

7. Continue to pray for all the families that joined our church this year and last year. Pray for the Keller's family, Raymond's family, Aldeia's family, and the Weital family.

I have a web page located on the World Wide New Testament Baptist Mission(WWNTBM) website. The webpage is located at <http://www.wwntbm.com/Padock/index.htm>. Please feel free to visit this webpage for updates from us.

Thank you all for praying and supporting our ministry. May God bless you richly.

Sonny and family.
