Dear Pastor and Praying Friends:

Greetings to you all our praying friends and supporters. We trust this letter will find you and your family doing well.

Thank you for praying for us. About three weeks ago we concluded our revival services with Evangelist Randy Chovan. The revival went really well. Many people got saved and many rededicated their lives for God's service. We are happy to see some of our people that were with us before came back and rededicated their lives to God . It was a great week of blessings. The following is a quote from Evangelist Randy Chovan's spring prayer letter concerning the revival.

"My last week in the Pacific was on the Island of Pohnpei, Micronesia. This was my second time to preach on this beautiful island located southeast of Guam. Pastor Sonny Padock hosted the annual crusade this year. (The conference last year was hosted by Pastor Isamo Welles.) The members of six fellowshiping churches came together for the week. They were faithful in attendance and inviting lost friends and family. There were between 500 and 700 in each service. We saw about thirty come to confession of faith in Christ between the meetings at the church and the preaching time at the Christian school."

There were over 100 new people that came to our revival. We have their names and contact addresses. Please pray for these new people as we follow-up on them. Some of these people are new babes in Christ that need discipleship.

Last month I officiated a funeral of a young man in his 20's. This young man is the son of Mr. Topias Joseph. Mr. Joseph is one of the deacons we have in our church. Please pray for Mr. Joseph and his family. This is a trying time for the family. Pray that this incident will not discourage but encourage the family to continue to keep on keeping on for the Lord.

Summer is a busy time for our church. It is the time we do our Vacation Bible School and also the church retreat. I am also scheduled to preach at a church conference at Lukop Independent Baptist Church in June. Please be in much prayer for us this summer as we minister for the glory of God.

Thank you for being our co-laborers. Keep up the good work.

Sonny , Lihna, Jr., Sonya, Haworth, Roland, and Sonsha
