

Padock's Update May 5, 2009

Dear Praying Friends:

Greetings to you in the name of our Lord and Savior Jesus Christ. I trust this letter find you all doing well. Sorry for not writing sooner. The last two months had been very busy months for us. We built a shelter/tent (40' x about 100') for the revival services and the wedding. Our oldest son, Sonny Jr. & Cindy got married on March 21st. I performed the wedding ceremony. Then we had our revival services from March 29 to April 3, 2009. Evangelist Randy Chovan was our speaker. Thank you for praying for the revival services. The services went very well. Several souls were saved and many dedicated their lives to the Lord. Our people were encouraged and strengthened.

The work for the church extension had already started. Last week we worked on the foundation footings and columns. This week the men will be laying blocks for the walls. Please pray for the work and the safety of our people as we work on the extension.

I mentioned in one of my updates that the building will cost around \$11,550. This is the estimated total cost of the extension as provided to us by our Engineer. We have a budget of \$4,000.00. We need about \$7,550.00 more.

Attached are some of the pictures we took on the work.

In Christ,
