

Dear Praying Friends and Supporters: :

Greetings to all our praying friends and supporters. We pray that this prayer letter will find you and your family doing well.

Thank you for praying for us. Last Saturday (July 25) we concluded the last day of our vacation Bible school at Nihco Marine Park camp ground. The Vacation Bible School was for children from 5 to 16. The Vacation Bible School went really well. Over one hundred kids from the neighborhood participated in the Vacation Bible School and the retreat. It was a blessing to minister and to be able to spread the gospel. We also had women's classes during the Vacation Bible School. My wife taught the women's classes. She taught the women how to take care of their homes and how to be good wives.

Pray for an open door to go door-to-door witnessing. We are experiencing some difficulties going door-to-door witnessing nowadays. Some people don't want us to come on their property anymore. The other day our boys were visiting, and a man told them if they ever come back on his property again, he would chop them to pieces with his knife. Our people have encountered this kind of thing several times before. Please pray that the gospel will have free course and that we will continue be faithful in taking the gospel to the lost regardless of opposition and persecution.

The construction of our church building extension is still in progress. As of today we have completed about 80% of the work. The remaining work includes: the installation of electricity, installation of ceilings, pouring of interior concrete floor, installation of louver frames, louvers, painting, and upgrading of the drainages around the extension.

We are very happy about the progress of the extension. We didn't think the construction work would go that fast because when we started the construction we didn't have all the funds we needed for the work. The Lord has been very faithful to us. As soon as we started the construction work, the funds started coming in. If the money continues to come in the way it has been coming in, we may be able to complete the building extension within a month.

I want to take this time to thank all of our donors. There are four (4) donors. Thank you very much for giving to the Lord's work. Without your donations we won't be able to accomplish what we have accomplished. We give God the glory for all that He has done.

Thank you, and keep up the good work.

In Christ,
