Dear Pastor and Praying Friends

Greetings in the name of our Lord and Savior Jesus Christ to all of you our friends and supporters. Hope all is well with you all.

Thank you for helping us with the construction of the extension of our church building. The extension is near completion only a few things to work on (inside and outside) before the extension will be fully completed.

On April 4, 2010, my family and I were in U at Ambassador Baptist Church. We were in U Municipality ministering to the brethren there. We had a sweet fellowship in the Lord with our brethren in U.

Praise the Lord, on April 5, 2010, the Lord gifted and entrusted to us our first grandchild, Jadon Jacob Paddock, to Sonny Jr. and his wife Cindy. He weighed 7lbs. and 7 ounces and a height of 20 inches. Sonny Jr. and Cindy are on Guam attending Harvest Baptist Bible College, so my wife left for Guam on April 6, to help them, to enjoy her first grandson, and hopefully not to spoil him. She will be with them until the end of this month. Thank you for praying. As of now the baby is healthy, growing and they're doing fine. Pray for all of us that we'll raise Jadon up in the nurture and admonition of the Lord.

On April 10, 2010, we had our youth rally at our church. Over 100 teenagers attended this youth rally. Brother Steve Clapp from First Baptist Church of Detroit, Michigan was our speaker. His message challenged our young people not to limit what God can do in their lives. Our young people were blessed.

Pray for Brother Steve Clapp. He is planning to come back to Pohnpei in the near future to serve as a missionary under the World Wide New Testament Baptist Mission.

Prayer Requests/Needs:

1. Please continue to pray for strength and good health as we serve the Lord.
2. Continue to pray for the health of our daughter, Sonya. Sonya's health has improved a great deal, and she wants to go to school in the fall. She had already submitted her enrollment application to attend College of Micronesia-FSM.
3. Summer is on the horizon. Pray for our Vacation Bible School that will be held this summer. Last summer over 100 kids attended our Vacation Bible School. Our goal this year is to have the same number or more to hear the gospel.
4. Our church is in need of a sound system for our church.

In Christ,
