Dear Pastor and Praying Friends,

Thank you for praying and supporting the Lord's ministry here in the islands. My wife, family and I are very grateful for your kindness and generosity. We pray the Lord to supply all your needs according to His riches in glory by Christ Jesus.

We are challenged and are praising the Lord for His faithfulness in teaching us, keeping us, and working through us to prosper His kingdom. We have 2 new families that moved to the Palikir area and have started attending our church. Pray that they will grow in the Lord and serve Him in our church.

Continue to pray for the young men and ladies that are attending the Bible institute in Pohnpei. We will be hosting a youth rally during the second week of November'2012.

Pray for the men in our church for spiritual as well as physical health. Mr. Apolong Jim goes to the kidney dialysis machine every week. Pray for Kesner Santos (our head deacon). It's been two weeks that he couldn't come to church because of illness. And then for me. I will be going to the Philippines on **October 23, 2012 for medical referral**. Please pray for me, my family and the men that will fill in for me (preach for me) while I am away in the Philippines. Also pray for the cost of the medical expenses that will be incurred as result of this trip. My insurance policy will cover some of my expenses but not all. Pray that the Lord will provide the funds not cover under the insurance policy.

In Christ,
Sonny Padock
