Dear Pastor and Praying Friends:

Greetings in the name of our Lord and Savior Jesus Christ. Blessed be the Lord who daily loaded us with benefits.

Thank you for your faithful service to the Lord in your financial support and prayer support to us. We are all doing fine, and we hope and pray that you are also enjoying God's grace in your physical health as well as your spiritual health.

Following are other ministries beside our pastoring Capital Hill Baptist Church. We would like you to help us pray for these:

1.Hospital Ministry- We held a service in the female medical ward of the Pohnpei State hospital. Pray that the seeds of the word of God that were sown will not return void but will accomplish God's will.

2.Prison Ministry- We continue to minister at our state prison. Our next visit to the prison is October 21, 2014. Please pray for the prisoners that we are ministering to. I believe God can change these people. The most humble people that I have worked with are prisoners. Pray for the ones that have been enlightened by the word and had left the prison. Pray that they will find a church where they can grow in the Lord and minister. Those remaining in prison and are unsaved that God will continue to convict their hearts so that they receive the Lord as their Lord and Saviour.

3. Ministry at the Baptist Bible Institute of Pohnpei (in U Municipality) – My students and I have completed our study of the book of Ephesians. We had our final exam last Friday (October 17, 2014).

4.Pingelapese Bible Translation- The Bible translation work continues to move forward. All of the 66 books have been assigned to individual translators. Eight of the 66 books assigned to individual translators had been translated. Four of those eight books translated are currently being reviewed by the reviewing committees. Each book translated will go through 6 stages of review by different committees. Once each book is translated it will be moved to stage two. Stages 2 to 6 are review stages.

5. Youth Ministry

a. Our youth hold services every other week in the homes of the church folks. This provides a fine opportunity for unsaved relatives to hear the gospel.

b. Evangelism through sports- Our son Haworth volunteered to coach some kids (9-15 yrs old) in our Kolonia neighborhood in basketball. He has 44 players both boys and girls. He's been coaching them for 2 months now. They meet in our house in Kolonia on Friday night for fun activities. This past Friday night I presented the gospel and we also provided snacks for them. Last Sunday (October 19th) twenty two of the kids attended our Sunday morning Sunday school class and also our morning service. Please pray for this outreach. Haworth and we need patience, strength and God's love to love these kids. Some them and their parents used to steal our kids clothes and food. They need to put their faith in the Lord and accept Him as their Lord and Saviour.

Praise & Needs: Please pray with us concerning these.

1. Opportunities for our children, Sonny Jr. and his wife and Haworth and his wife to serve the Lord and their growth in the Lord.
2. Physical and spiritual health and daily provisions.
3. Roland attending HBBC on Guam
4. Sonya to work part-time at Calvary Christian Academy- and not be all by herself at home while all the rest of the family go to work or school.

Again, thank you for praying for us. We continue to need your prayer support. Yes, indeed His grace is sufficient to meet all our needs. .

In Christ,
Sonny, Lihna and Family
