July 30, 2015

Hello Pastor and Praying Friends:

Greetings!

Thank you for praying for our Vacation Bible School that we had at our Capital Hill Baptist church from July 13th to July 17th. The VBS went really good. We were inspired and encouraged from the Bible lessons and the activities performed during the VBS. It was a blessing to see some of the kids come to know the Lord as their Lord and Savior.

Please continue to pray for the other ministries that we are involved with beside pastoring Capital Hill Baptist Church. Continue to pray for our Bible translation ministry, the prison ministry, youth ministry and our building project. For your information, we have now begun re-building our Nahs (activity center) that was badly damaged during the tropical storm that hit our island on May 11, 2015. We would like to thank all of you who have been praying for us and for our building project. We would like to extend our special thanks to our two donors from the mainland who have donated \$1,250.00 to go toward our building project. The fund donated from the two donors is so far enough for us to start building. This time we are building a bigger and a stronger "nahs"; one that will be able to withstand strong winds like the one we had last May, 2015. We are trusting the Lord to provide the funds to complete the building and at the same time anticipating growth in our faith in the Lord as we see Him faithfully provides.

Please pray for the health and safety for our church men who are working on the building.

Thank you for your prayers and support.

Sonny & Lihna Padock
