Greetings from Pohnpei,

It has been a while since we last wrote. Hope everything is going well with you, your family, and the ministry. We are well and busy as usual. We had some difficult times, but we are grateful that our God is faithful and in control. Thanks a lot for praying for us.

Narrated below are some of the things that we would like you to help us pray for:

1. Pray for the church families that lost their loved ones just in recent weeks. One of our faithful deacons (Mr. Victorino Leit) passed away two weeks ago due to cancer. Another deacon (Mr. Kenio Harry) in our church also lost one of his younger brother also due to cancer.

I officiated the funeral/burial services for Mr. Victorino Leit. Please pray that the word of God sown there at the services will not return void.

2. Pray for the ministry that I am being involved with at Pohnpei Baptist Bible Institute. This quarter, I am teaching Prophecy #4.

3. Pray for the prison ministry. Today (November 26th) is our day to again minister at our Pohnpei State prison. Pray for me, the message that will be presented, and also for our church group that will be ministering at the prison today.

4. Pray for our church building renovation work. Some parts of our church building need fixing. The office needs to be walled properly to keep thieves away from breaking in and stealing stuff from the church office. We are soliciting for a contractor for this job.

5. Pray for the physical and spiritual health of our family. Not all of our children are with us in Pohnpei. Our oldest son (Sonny Padock Jr.) and family are in Guam. Roland is at Harvest Baptist Church doing his internship to become a pastor/minister. Our youngest daughter (Sonsha Padock) is in the United States studying chemistry at the Southern University of Utah. Sonsha wants to become a researcher after graduating from college. Pray that her school needs (tuition and other essentials) be met.

6. Pray for a car for me and my wife. We need a car that will function better than what we have now. We need a car that can take us around to places we minister not just in town but also outside of town.

Thank you for your prayers and support.
