Dear Praying Friends:

Greetings to you all.

We are grateful for what the Lord is doing. Last July was a busy month for us at Capital Hill Baptist Church. We had our Vacation Bible School (from July 6th to July 10th) and our youth rally same week. The two activities went really well. Many souls were saved and many dedicated their lives to the Lord.

On July 19, we did our first baptismal service for this year. Three of our church teens dedicated their lives during our youth summer camp and therefore were baptized. Please pray for these young teens (KS Santos, Hanna Padock and Lysha Padock) that they would continue to grow in their christian faith.

We are planning to change the roof of our church auditorium. Some areas of the roof system are leaking. Pray with us for laborers and sufficient funds. We want to change the entire roof system if we could.

Pray for my online Bible study that I am having with the folks on Pingelap island. Also pray for the Pingelap Bible translation work that we are involved in doing. The work is on-going and is in stage 3. My wife and I had been assigned to review the books of Hosea and Micah.

Thank you for praying for us and for the needs of the Lord's work here at Capital Hill Baptist Church. We are grateful to you for your support and partnership in this ministry.
