Dear Praying Friends,

Greetings to you in the name of our Lord Jesus Christ.

This past month has been a time of hard work and travel. After spending the first ten days of May at home taking care of some things that were needed there, we headed down to Brunswick, GA to help a church with the repair of their mission home. The men of the church were a great encouragement and everyone really worked hard. The entire floor was cut out and new support pads and floor joists were installed. The house had to be jacked up about 3 inches in order to do this. I also installed new plumbing throughout the house and a man in the church installed a new electrical service panel and wiring. It was quite a job. We did this all in two weeks! Everyone was glad to see this phase of the work completed.

We were in a missions conference at another church in the area during this time. This church had a great missions emphasis day which was truly enjoyed by all. God has been blessing our ministry with some unusual meetings and we are grateful to Him for all His provisions.

We left Georgia just before the end of the month for two meetings in the Shenandoah Valley of Virginia and West Virginia. It is amazing to see God work in the hearts of people to meet all our needs. These are small churches just doing what God calls them to do. We are so happy that the Lord has allowed us to be a part of His plan. Please pray that the Lord will continue to use our ministry to reach others for Him.

We ask that you please pray for our ongoing needs: 1) New Supporting Churches 2) Ministry Opportunities 3) Travel Safety 4) Dental Expenses 5) Unspoken. We also have two praises: 1) A new supporting church 2) Contributions to our dental expenses. God is faithful. Thanks to all of you for your prayers on our behalf. We love and pray for you all.

Serving till He comes.
