Jack & Melinda

February 2007

Greetings,

“Bless the LORD, O my soul, and forget not all his benefits:” Psalms 103:2. We pray that all of you are seeing God’s blessings this year as you seek to serve Him. The Lord has truly been giving us “all his benefits”.

We are grateful for three new churches that have begun supporting us. The Lord is continuing to bring our support level up. We are beginning to make plans for more work projects this year. Please pray that God will guide us in this process. There are many needs and we want to be in His perfect will.

We spent two weeks in western Pennsylvania, where I helped a church with a bathroom remodeling project. The first day several men from the church came and we worked on the demolition of the old bathrooms. After this was completed, I was able to start on the plumbing, ceiling tile, and drywall work. The Lord gave us some more moderate temperatures and not much snow. This proved to be a big help.

My wife was able to witness to a lady while she washed clothes one day. She is from Columbia, South America. When she left the laundry, Melinda gave her a gospel tract in Spanish. Pray that she will understand and be saved.

I have been able to preach in two churches so far this year. There are so many who need to hear the gospel. Don’t neglect the opportunities you have. You never know when they will come.

Thank you for remembering our ongoing needs. We praise the Lord for raising our support to about 75% now! We will be presenting our ministry in several mission conferences this year. It is our prayer that God will use us to call others into His service. No matter what your abilities or disabilities are; “*You have everything you need to do God’s will for your life*”.

Serving the Savior,

Jack & Melinda
