Dear Friends,

“And I thank Christ Jesus our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry” 1 Timothy 1:12. We are praising the lord for His many blessings to us. There have been countless opportunities to witness this past month. God has promised us that His word will not return void. Pray that we will be sensitive to the Holy Spirit’s leading and that the people will be receptive.

We did have an interesting time during April. Our camper had to be left in GA for some warranty work for about two weeks. While it was being worked on, we helped out at a church in Alabama. The church parsonage was found to have black mold growing in the basement due to a water drainage problem. The pastor and his family had to move into the church’s prophets chamber. There are nine of them. We stayed in an unused Sunday School room and the Pastor’s father-in-law stayed in another room. We all were sharing one shower! The ladies of the church brought meals each day and were such a blessing. There was a real spirit of unity. We worked hard but had a great time.

We have been able to share our ministry in two churches this month. Now that our support level is coming up, we are scheduling less meetings and more work projects. We still have plans to meet with a missionary in June about going to Africa. This missionary will be home for several months on a furlough so we want to travel back with him. We have started saving for our plane fare. Please pray that God will give us wisdom to plan this project and provide him with the finances to build.

Thank you for your daily prayers on our behalf. We appreciate you love and support. God shows His faithfulness each day. Our prayer requests include: 1) Safety in travel 2) New supporting churches 3) Ministry opportunities 4) Unspoken. Melinda was able to witness to a lady yesterday at a rest area for about 30 minutes. Please pray that Gwen will give her heart to Christ. We thank God for all of you and keep you in our prayers.

Serving Our Savior,

Jack & Melinda
