Dear Friends,

Greetings to you all in the name of our Lord Jesus Christ. Thank you for your prayers on our behalf. We have been hard at work this last month on a project for a pastor in Georgia. This has been the longest single project we have worked on this year. But we are all glad to see light at the end of the tunnel.

We were able to present our ministry to a new church this month during their mission conference. There was great preaching and wonderful fellowship. On Saturday morning, the men of the church went to the local flea market to witness and pass out tracts. This flea market draws many Hispanic people and they were our primary targets.

A missionary in Pohnpei, Micronesia has contacted us about relieving him for a furlough in early 2010. He runs a radio station that reaches many islands in the area with the gospel. We are praying that God will open this door to us.

I was able to witness to a truck driver a few days ago. He is a Jehovah's Witness. I talked to him about the Lord and he did take a gospel tract. Pray that the Lord will open his eyes to the truth. Also pray for a young woman that Melinda witnessed to during visitation.

We ask that you remember our ongoing prayer requests: 1) health and safety 2) new support 3) funds for our Ghana trip 4) unspoken 5) sale of our home.

Thank you all for your notes of encouragement. We truly appreciate them.

In service to our Lord,

Jack & Melinda
