Dear Prayer Partners,

Exodus 31:1-3 says "And the LORD spake unto Moses, saying, See, I have called by name Bezaleel the son of Uri, the son of Hur, of the tribe of Judah: And I have filled him with the spirit of God, in wisdom, and in understanding, and in knowledge, *and in all manner of workmanship,*"

Our building projects in Georgia are coming to a close now. We are thankful for what God has accomplished here these last few months. There is now a home for the pastor and his family. Literally, thousands of dollars have been saved. The church has been able to bring on another staff member to work with the choir and outreach ministries. The members have been drawn closer together and are more fervent in their service to the Lord. Some of the younger men have learned things that will help them in their future work. One family is even considering mission work for their lives because of this. You never know what God will do with a willing heart.

Please be in prayer as we continue with plans for our Africa trip. There is still a need for about \$4000.00. This money will help to cover the plane tickets, visas, immunizations, container fees, etc. We are thankful for what has already been provided. Thanks to all those that have generously given so far. We believe that God has called us to a special work in Ghana. Only He knows what will be done for eternity. We are not only looking forward to the physical building project, but the spiritual building that will be done in the lives of the people there. We ask that you pray for God to use us as He sees fit and give us many souls for our labor.

Praise: We have a new supporting church in West Virginia!

Prayer Requests: 1)health and safety 2)new support 3)funds for Africa 4)growth in those that have been recently saved 5)unspoken

In service to our Lord,

Jack & Melinda
