Dear Prayer Partners,

God is so good! Sometimes we can't even comprehend His goodness to us. We have traveled through many States and visited many churches in the past two months. We feel blessed to have been able to encourage so many but it always seems that we are the ones to be most blessed.

We praise the Lord that He has provided the rest of the funds needed to get to Pohnpei. We will still have some needs while we are there but we are confident that God will provide it all in His time. We have booked our flight out on September 28, 2010. The missionaries we are going to be with are helping us with the details of what will be needed there. We have found out that we will have to purchase health insurance while there. Our coverage here in the State is not accepted there. This is an expense that we were not planning on. Please pray with us about wisdom here because there are some details to be considered.

We were able to be in a church in the mid-west where we saw God move on the hearts of his people in an amazing way. This is just a small town and we had many new people in the services each night. The Gospel was presented and we saw lives changed and one man saved. This man has been in the prayers of many for a long time. We praise the Lord for His faithfulness.

We were able to talk to a doctor at a laundry. It is unusual to meet someone like that in a laundry but he was traveling as well. He was very open to the Gospel. We talked with him for about an hour. He didn't get saved then but we did give him some literature. Please pray for his salvation.

Thank you for your prayers for us. We love and appreciate you all. Please keep these requests in mind as you pray. 1) Trip to Pohnpei 2) Lost loved ones 3) Traveling safety 4) Sale of our house.

In His Service,

Jack & Melinda
