July 2010

Dear Prayer Partners,

We praise the Lord for all His blessings to us over the last two months. It is such a comfort to have all of you praying for this ministry. God is working in our hearts, and we are grateful for how He is revealing His will for our lives. Please continue to hold us up in prayer.

In May, the truck was broken into and many tools were taken from it. The doors were also damaged and had to be replaced. God has provided for some of these tools to be replaced through the sacrificial giving of many of you. We hope to replace the rest of what was taken in the very near future. Thank you for praying and giving toward this need.

We have worked out the details for our health insurance coverage in Micronesia. Although this is an expense we didn't expect to have, God is providing. Please continue to pray for wisdom in this area.

Many of you have prayed in the past for my dental needs. I am again having some problems that will have to be taken care of before leaving the country. Please pray for wisdom here, as well as easing the pain I am experiencing. I will be seeing a new dentist and am hopeful for some lasting solutions.

While we were in the Northeast, I was able to advise two churches in the area of building plans. One church has just purchased a building, and they are renovating it to use for a Christian School. We were able to work on it, as well as draw some plans up for a stairwell. The other church needed to put a handicap lift in the building and wanted advice about the kind and the placement of that lift. I was glad to be able to help in these two areas.

We love and appreciate you all.

Please keep these requests in mind as you pray:

- 1) Trip to Pohnpei
- 2) Lost loved ones
- 3) Lasting dental solutions
- 4) Sale of our house

In His Service,

Jack & Melinda
