October 2010

Dear Partners in Ministry,

As many of you already know, we have arrived in Pohnpei, Micronesia. The last 10 days have been spent trying to learn so many new things that our heads are spinning. We know our Lord is able to carry us through this for His glory. We sincerely appreciate your prayers for us as we minister here. The radio ministry is a new one to us, so we are learning the basics right now. Ruth Ann is a great teacher, and she is confident that we will have things well in hand by her departure date of October 29, 2010. Please be in prayer for her husband, Dave, in the States. He left here on October 1, 2010, to begin treatment for cancer. He had hoped to be able to stay with us for a few weeks, but that was not to be. We are trusting God to heal him and to bring him back to Pohnpei soon.

Our travel to the island went very well, and we praise God for safety on the way. We were also blessed by a family in Honolulu. We were picked up at the airport, given meals and lodging, along with transportation back to the airport the next morning. What a blessing to be able to get some rest! Our thanks go to the Cooper family for their kindness.

The Lord gave me the opportunity to preach on my first Sunday here. I also began doing the Wednesday evening Bible Study, my first Wednesday night. I will now be on the regular preaching and teaching schedule. Melinda will begin teaching Sunday School to Ruth Ann's class after she leaves. She is looking forward to this ministry. The people here have been so kind to us, and we love them already.

Please keep these prayer requests in mind as you pray.

- (1) Sale of our home in Easley, SC
- (2) Further ministry opportunities
- (3) Health and Safety
- (4) Funds for our passage home

Our prayers go with you all.

In His Service,

Jack & Melinda
