December 2010

Dear Prayer Partners,

Greetings to you in the name of our Savior. We are preparing to enjoy the holiday season here in Pohnpei. The weather here is warm, and it seems more like it should be July 4th instead of Christmas. Like in America, the stores here are filled with decorations and Christmas music is playing everywhere. We are blessed to have found many new friends here that love our Lord. Please keep praying for those who have not yet received Him.

Our Bible study group is very faithful, and I am enjoying the study in 2 Timothy. Please pray for Jovencio. He is from the Philippines and has not yet been saved. He is asking many questions and continues to attend both the Bible study on Wednesday night and the Sunday church service in English. We have been able to talk with him about the Bible and what God says about salvation. He is struggling with several questions, but we feel sure that he will be saved soon.

The radio station work is going along well. Please pray that God will use the station to bring people to Christ. The gospel is presented each day, and we know that there are many unsaved listening. Calvary Baptist Church continues to see visitors that have come because of the radio station. We thank God for allowing us to be here and to serve.

There are a few maintenance projects that I will be doing over the next few months. One is putting coral down in the driveway. The rain has rutted the driveway and parking area. There are many holes to fill with dirt before we can spread coral on top. This will make it much safer for the vehicle.

Continue to pray for Dave Arthurs. He and Ruth Ann are in America for medical treatment. He is doing better, but still has a way to go. Ruth Ann has been experiencing some back pain so we are praying for her as well.

We ask you to pray for the following needs:

- 1) Salvation for Jovencio
- 2) Funds for our return airfare
- 3) V6AF Radio Station
- 4) Health and safety

In Christ,
Jack & Melinda
