February 2011

Dear Praying Friends,

We greet you in the name of our Savior, Jesus Christ. It is already well into the new year, and we have had many blessings as well as some challenges. In our last letter, we asked you to pray for a man named Jovencio to be saved. I was able to talk with him before he left the island to go back home to the Philippines and praise the Lord, he is now on his way to Heaven! Please keep his family in prayer as he seeks to be a witness to them. He has stayed in touch with me through e-mail and is attending a good church. There is a possibility that he may return to Pohnpei along with his family and it would be wonderful if God would allow that.

One of the projects I was working on was spreading coral in the driveway and parking area here at the station. It is now almost finished. With all the rain we get here it makes things really slow sometimes. It should only take a little more work to complete it now.

I have been involved in helping to set up a Bible Institute here on the island. Several of the churches here are cooperating together to do this. This month, the Institute will begin holding classes and our worker here at the station will be attending. Nucker is a very good man and is mature in the Lord. He has a thirst for more Bible knowledge so it is my privilege to help him with the finances necessary to go. He is from a neighboring island, and I am praying that he will some day go back to his island and start a church. Several men from the different churches have enrolled in classes, and we are all excited about what God is doing.

I have the opportunity to preach once a month in the English service at Calvary Baptist Church, and God is using this to grow me in His Word. Please pray that God will use me. Our Bible Study on Wednesday evening is also a blessing to me.

Please pray for these requests:

- 1) Bible Institute students
- 2) Funds for our return airfare
- 3) Health and Safety
- 4) V6AF Radio

In His Service,

Jack & Melinda
