Dear Friends,

We write you concerning a couple of real needs that we have right now. We appreciate all the prayer that has gone up for us these last few days. Our truck transmission went out this past Tuesday. The Lord was very gracious to us by letting us arrive without incident, on Monday, to Greenville, SC at our home church. The truck had been running fine, and we did not have any warning signs. When we got into the truck to go run an errand on Tuesday morning, it would not move forward. It is only of the Lord's mercy that we were not stranded on the road the day before, as we were driving into Greenville. God is so good! The transmission is being repaired right now. They have advised us that the final cost for this is \$2,507.00.

We also received word today about the hospital bill from Jack's knee surgery in March. We have been working with the hospital to get the bill discounted due to our income level. They have reduced the bill from almost \$5,000.00 to \$2,100.00. We are so thankful for the reduction. We will be working with the hospital to make a payment schedule for this.

We would appreciate your continued prayers for these expenses. With our support level having dropped in the last couple of years, this could affect our ministry. We are trusting the Lord. He knows our needs.

In His Service,  
Jack & Melinda
