March 2013

Dear Friends,

We greet all of you in the name of our Lord Jesus Christ. It is such a blessing to have faithful people praying for us daily as we seek to serve Him with our lives. These are exciting times in our ministry. Over the past couple of months, I have been meeting with my pastor as well as reporting to supporting churches in the area. I want to let you all know that I will be ordained this August. I am very excited to take this next step in following God's will for my life. As you know, we plan to go to Nukuoro, Micronesia to plant a church as soon as the necessary support can be raised. The Lord is beginning to bring things together, and we hope to be there next year. Please continue to pray that God will lead us to churches that will support this endeavor.

We have been seeking to build a relationship with a couple living near us. We see them and try to talk with them each time we are home. We have witnessed to them and they seem to be softening to the Gospel. Please pray that God will continue to work in their lives. We would love to see them come to Christ.

During the next couple of months, we have several meetings in new churches. There will also be two work projects to complete. One will be to build a portable baptistry and the other will be a bathroom remodel. We welcome these opportunities to help local church ministries.

I have had a wonderful opportunity to lead a Bible Study at a nursing home recently. There are many precious saints in nursing homes all over. I urge you to check in your area to see if you can start a ministry in one. These folks know about life and appreciate it so much when younger people come in and take time with them. We went seeking to be a blessing to them, but we were the ones that received the blessing.

Prayer Requests:

- 1) Salvation for our neighbors
- 2) New support for the Nukuoro trip
- 3) Health and safety as we travel
- 4) Unspoken.

Thank you for praying. It means so much to us.

Jack & Melinda
