ASSISTING WITH CHURCH PLANTING, FURLOUGH RELIEF AND MAINTENANCE

March 2014

Dear Faithful Prayer Partners,

Our hearts are so full of praise to the Lord! We have seen so many answers to our prayers over the last two months. In our last prayer letter, we asked you to pray for funds to purchase a container. Well, that prayer has been answered in an unusual way. The container company we were going to use did not feel that they could provide us with one at a good price, so they referred us to another company. A Christian man owns this company, and he has agreed to GIVE us a sea-worthy, inspected container! Praise the Lord for His provision.

We have had some wonderful meetings in the past two months. Not only have we reported to churches that already support us, but we have been privileged to present our ministry to several new churches. Two of these churches will be partnering with us. This is an answer to prayer.

Another prayer request is for funds for the shipping of the container. God has begun to take care of this need as well. Approximately 20% of the cost of shipping has come in. We are praising God for supplying these funds. Pray with us that the rest will come in soon, so we can lock in the price before there is another increase.

In January, we were able to sell our truck and buy a car that is much more economical to drive. We began to get concerned when we had it in the shop for repairs five times in three states during the first month. The Lord brought people our way that paid for the repairs. We saw God supply for us and teach us to trust Him more. He proved, once again, that He is always in control and able to take care of our needs.

We are praying that everything will be in place soon, so we can be on our way to spread the Gospel to the people of Nukuoro. Continue to pray that they will have open hearts. The need is great, but our God is greater.

In His Service,  
Jack & Melinda
