ASSISTING WITH CHURCH PLANTING, FURLOUGH RELIEF AND MAINTENANCE

January 2015

Dear Faithful Praying Friends,

Happy New Year!! Can you believe that it is 2015? It seems that time goes by more and more quickly each year. We asked that people pray for the ship schedule and our prayers have been answered! The Micronesian government has purchased a new ship. It is supposed to be going down to Nukuoro in February. I am planning to go down with Pastor Ray and look at the place we will be building our homes. We will stay for a couple of days, and when the ship returns from Kapingamarangi, we will board it and come back up to Pohnpei. We expect to be gone just over a week. Melinda will be staying here on Pohnpei since we will not have any place to stay while on island. Pray that we will have safety while traveling.

We are trying to buy the additional supplies that we need before we go to live on Nukuoro. We are still in need of about \$4500.00 to do this. We have to buy cement, tin, and wood for the roof trusses and solar storage batteries. These are the things that we were not able to put on the container before leaving the States. Melinda also has a need for BJU 9th grade books for homeschooling Pastor Ray's son, Sheffy. She will need Algebra 1, English, Physical Science, Bible, and History. If anyone can help with any of these needs, please contact us or send any financial help to our mission board, World Wide New Testament Baptist Missions, and mark it Peeler Nukuoro Fund.

I have been able to preach at three churches here on Pohnpei. One young man was saved after I preached at the Wone Baptist Church. Praise the Lord for His saving grace. We have also been invited to several Christmas gatherings held by the Nukuorans here on Pohnpei. They are very excited about our plans to go to Nukuoro and teach God's Word. We are thankful for these Nukuoran Christians that have prayed for a church on their home island.

God is still on the throne. We know that He is able to do all that is necessary for this work to be accomplished.

Praying for you all,
Jack & Melinda
