ASSISTING WITH CHURCH PLANTING, FURLOUGH RELIEF AND MAINTENANCE

May 2015

Dear Praying Friends,

We are trying to prepare all things that are necessary to take with us on the ship to Nukuoro. We still have an urgent need for funds to buy the remaining building materials for the house and our buildings on Nukuoro. There is also the cost of shipping these items down. We are asking all our supporters to pray earnestly that God will supply this need. Funds may be sent to World Wide New Testament Baptist Missions and should be marked *Jack Peeler Nukuoro Fund*. We know that God is able to supply all our needs, and we are praying and trusting Him to do it.

We finished a revival at Calvary Baptist Church about 3 weeks ago. It was a blessing to have Evangelist Randy Chovan preaching each night. The meeting was well attended by folks from all the area churches. We saw many decisions for Christ. I was able to counsel with a young man who is looking for God's will for his life, and Melinda was able to lead a young lady to Christ after the last service. Cassandra was almost ready to leave the church when she began asking questions. What she needed was Jesus. Praise the Lord that she asked Him to save her.

The ladies of all the island churches will be gathering at the Ambassador Baptist Church in U for a mother/daughter day on May 9th. Melinda will be speaking to the junior age girls. Pray that these young ladies will receive what God has for them and use it in their lives.

I am continuing to preach in the English services at Calvary Baptist Church in Kolonia. I am also working with Pastor Ray each week doing the Nukuoran Bible Study. We have the study time in different locations so that as many Nukuoran people as possible can attend. Melinda will be working on creating a song book for use in these meetings. These are songs that were either translated into the Nukuoran language or were written in Nukuoran. These books will only have the words (no music), but at least we will have something. We also think that compiling these will help us to learn the language more. We are also still in language study each week. Please pray for us as we try to learn.

Praying for you all,
Jack & Melinda
