

JESUS, THE PERFECT GIFT

Dear Partners in Ministry,

November/December 2015

We are adjusting to life here and are enjoying the beautiful sunsets.

We began having Wednesday night Bible studies a couple of weeks ago. The school gave us space to do hold the meeting. There were over 70 at the first one and two were saved. Last week, we had about the same number with two more saved. Jack is leading the study and Pastor Ray is translating to make sure everyone understands.

We are also having a ladies Bible study on Thursday afternoons. It is growing every week. There are many here without Bibles. We have some to distribute but are in need of more.

Please pray that we will get our permanent houses built soon. We are still in the tents. God has protected us through two storms with high winds. The kitchen is almost completed, and when the building materials arrive, we hope to begin the shower/bathroom and the houses. Pray that funds will continue to come in for this.

Lord willing, Kyle Boylston will be returning to Nukuro on a ship that is scheduled to come down in January 2016. Kyle will stay and help us through March. If you recall, Kyle came with us when we first arrived on Nukuro and helped for two months. He was a wonderful help to us, and we are excited about his return. Would you pray for his safety and ministry here on Nukuro? Please consider supporting him financially as he prepares for Bible college in the fall. Donations may be sent to: World Wide New Testament Baptist Mission with the memo: "Kyle Boylston."

Prayer Requests: Salvation for Midion and Nilla
 Growth at the Bible Studies
 Health and safety for us
 Safety and provision for Kyle Boylston

Thank you for praying! We truly hope that you have a Merry Christmas and Happy New Year!

Jack and Melinda
