ASSISTING WITH CHURCH PLANTING, FURLOUGH RELIEF AND MAINTENANCE

July 2016

Dear Praying Friends,

We are praising the Lord that we finally now have a ship departure date. This will be our final prayer letter from Pohnpei. We will be leaving for Nukuoro on July 20, 2016. Please pray that we will have a safe journey down.

The Lord has been working in the hearts of the people in all the churches here on Pohnpei. We have been able to share some pictures and testimonies about Nukuoro in every church. The Lord has used this, and we now have a group of 7 people making a short-term mission trip to Nukuoro with us this time. They will be staying for one ship rotation. That means they will go down with us this time and return when the ship comes again. They could be there for 3 months. There are several more who will be going down to help with the off-loading of materials and then return on that same ship. The churches on Pohnpei have come to the aid of this group and are providing extra food supplies and offerings for their expenses. This is a great help to us since we will have to feed and house them while they are with us. We will be putting up makeshift tents at first, but they are willing to do this for the sake of spreading the gospel. Praise the Lord for His work in their hearts.

Please pray for my continued healing. I am still experiencing some nerve pain. Some days it can be bad, but most days I am able to deal with it. The doctor says I will always have some pain. We know that God can heal me if it is His will, and we trust Him to do what is best. His grace is always sufficient. The men who will be working with us will do the things that I am unable to do now. This is a wonderful blessing and a time of growth for all.

Prayer Requests: Salvation of the lost  
Safety for our whole group  
Funds for the additional people  
Spiritual growth of the Nukuoroan people  
Bible Study groups to grow in attendance  
Healing for me
