ASSISTING WITH CHURCH PLANTING, FURLOUGH RELIEF AND MAINTENANCE

April 2020

Dear Prayer Partners,

Praise the Lord for His mighty work in our lives! Thanks to all of you who have prayed and sacrificed for our ministry. God is in control, even when things seem to be out of control. This pandemic has circled the globe bringing fear to many. Even those who claim Christ as their Savior are concerned. I can have a Bible Study at my home with just a few men each week. Please pray that this will yield fruit in the lives of the men who attend.

So far, we have not had any cases of the virus on Pohnpei, but the government here is trying to keep things locked down just in case it does find its way here. Large gatherings are discouraged, and schools have been closed. There are hand-washing stations everywhere, and travel has been stopped. Anyone that does come into the country is put in quarantine for 14 days.

Ministries have completely changed, and we are finding new ways to give out the gospel. One way we are reaching people is through email. We have been working for many months with Nathan Fry on a video presentation that will present Nukuoro as a possible field of service to someone whom God is calling into missions. Nathan helps missionaries with video presentations. We would like to have you view this video and share the link with as many people as possible. It is our prayer that God will not only use this video to call someone to help in Nukuoro but that He will call missionaries to other islands in Micronesia.

Thank you for your faithful prayers and financial support. Please continue to pray for our return to Nukuoro as soon as travel is allowed again.

We are keeping you all in prayer each week.

In His Service,

Jack & Melinda
