PEELER

ASSISTING WITH CHURCH PLANTING, FURLOUGH RELIEF AND MAINTENANCE

July 2021

Dear Praying Friends,

We are so grateful to the Lord for your continued prayer and financial support. We praise the Lord for how He works through you to supply our needs. We have an urgent need for prayer for Pastor Ray. He fell from the bridge going out to our outhouse and injured his back. He has been in a lot of pain and is unable to move around very much. We ask that you lift him up to the Lord for healing. We only found out about this a couple of weeks ago though it happened over a month ago. Services were suspended for a couple of weeks, but Jarson has stepped in to provide some needed leadership. Many of the church members have been helping with the work on the mission compound.

The Lord has provided some needed items to send to Pohnpei for shipment to Nukuoro. We are looking to send these crates out as soon as we raise the needed shipping costs. Pray that God will provide for this need.

Please pray for Johnathan and Isaac, the men who have contacted us about working in the atolls of Micronesia. They need to have wisdom and to know the Lord's mind.

Our plans still include some doctor appointments, but we are traveling to new and supporting churches to present the need in the atolls. Pray earnestly that God will call laborers into the harvest of Micronesia. We know that God has some who will answer the call and go. The people on these atolls are very open to the gospel, and they need preachers.

As of today, the FSM is still closed to travelers. We do not have any information about when this will change. The state of Pohnpei is beginning to allow a few of its own citizens to return and then be quarantined upon arrival, but this is a very slow process because so many were trapped outside of the FSM. None of the other states have started this yet. There have never been any Covid cases in the FSM, and their government wants to make sure it stays that way.

Any church that would like to have us in to give an update of our ministry or to take part in presenting missions to their church can contact me either by phone at 864-884-5230 or by email at jack@thepeelers.org.

Please continue to pray for these requests: Pastor Ray and his wife, Mercyda; Jarson and his family as they assist Pastor Ray; Larry, Larson, Dexson, and Mrs. John as they assist from Pohnpei.

For Souls in Nukuoro,
Jack & Melinda
