

The Prestons
Church Planting in Mount Pleasant, UT

Sept. 27, 2020

Dear Praying Friends,

We are still currently waiting on the Lord to rise up a man for the pastorate. The gentleman in Louisiana pulled his name from consideration as he felt the Lord was leading in a different direction. At this point we are without any contacts for consideration. Please continue to **pray** that the Lord will provide a man in His timing and that the church will grow in the meantime. It is my plan to list our need at additional colleges as well re-contact some that we originally posted with to see if we can get some responses.

We have begun our canvassing once again in Fairview. I really want to begin a more personal door to door ministry but in the current Covid atmosphere I am at a loss as to how to execute it. Please **pray** for us that the Lord will lead us in our endeavors to reach the lost.

Millie has finally been able to complete the ladies Bible study that was interrupted by the Covid shut down. She is planning to restart the next Bible study Oct. 2nd. Please be **praying** for Teresa, Sandy and Sue to be saved. Sandy told Millie the other day that she didn't want to come to church because all preachers preach on is hell. Millie has been faithfully stressing that salvation is by faith in Christ alone apart from any works a person can do in every class. She often speaks of being frustrated by the hardness of these ladies and their constant infusion of works based salvation. She is doing a great job. Please keep her in **prayer** and that the Lord will have the victory in bringing these ladies to saving faith in Him.

We are also restarting our monthly men's fellowship breakfast on Oct. 17th. Please be **praying** that all of our men will be willing to come out and enjoy a time of fellowship and prayer.

We had a new lady and her three children visit this morning. She is a single mother and recently moved back to the valley. They are currently living in a camper and she is in need of a home and job. Please be **praying** for Rexi and her children that the Lord will meet these needs. At this point we don't know what her spiritual condition is but we are hoping that we will be able to see them continue to come and if not saved see them come to saving faith in the Lord Jesus.

We recently had our grandchildren down for two separate weekend sleepovers. Keith and Nic came the weekend of the 20th and Mikayla and Samantha came this weekend. We took them fishing and although the boys didn't catch anything the girls and Millie caught quit a few. Samantha took the prize, as it were, with an 18oz rainbow trout. Every time we take them fishing I remind them that they are fishing for three reasons: to learn patience, drown some worms and enjoy the great outdoors and they just about got that down in memory. My job is to help with worms, getting the fish off the hooks and untangle lines. I also cast for Samantha. I think we all agree that it is more fun to catch them even if we have to put them back because they are too small. Please keep our grandchildren in **prayer** that the Lord will do something great in and through them.

We are grateful for your faithful prayers and for each individual and church that continues to faithfully support us financially as we would not be able to continue here without you. Our prayer for you is that the Lord will continue to use you in the part of the field He has you serving.

In His Service,

David and Millie Preston
