

The Prestons
Church Planting in Mount Pleasant, UT

March 25, 2024

Dear Praying Friends,

We are thankful for warmer and dryer days that have permitted opportunities to get out and start canvassing again. Although the winter seemed to start a little later it is still hanging on as we received a couple inches of new snow overnight. We are thankful for the opportunity to distribute God's word and are praying the Lord will give us some fruit for our labors. We have a new housing development just north of us that has a mixture of occupied homes and some still in building and covered that new area as well as working on the remain northeast part of Mt. Pleasant. Please be in **prayer** that we will be able to make some new contacts for follow-up.

The prison ministry continues to go well, and I was only hindered a couple of days from going due to snowy road conditions. There have been some men paroled and others moved to other parts of the prison that were coming on Fridays but there are also some new men coming. I continue to see 2 men come on Wednesdays and 10-13 come on Fridays. However, the men that are coming are very attentive and ask questions. Please continue to **pray** for the lost to be saved and the men that are saved to grow in the Lord.

Please continue to **pray** for Maria and Teresa that attend Millie's Bible study to be saved. Please **pray** for Joan as she hasn't been able to come due to an advanced form of cancer. Please **pray** the Lord will stir her heart concerning the truths she has learned, and she will be open to Millie visiting her and that she will be saved. Millie thinks the truth of God's word hit too close for Mrs. Kelly and she has not been for a while. Please **pray** she'll start coming again and will accept the truth of God's Word and be saved. Please **pray** also for Maria's husband Mike to be saved.

The church celebrated its 21st anniversary yesterday (Mar. 24th)! We are thankful what the Lord is doing here. Even though we have had several ladies and a whole family out sick for 2-3 weeks at a time this year (including Millie) we were able to see all the folk in church this past Sunday. Lori, a lady we've known for years and had encountered Millie in the store came to church in response to Millie inviting her. She was so glad to come and told Millie that she planned to come back and even planned to start coming to the ladies Bible study. Shirleen has started coming a little more regular on Sundays and has brought a couple ladies with her.

Please be in **prayer** for us as we are in the planning stages for having VBS in June. Also, please continue to **pray** for the Lord's leading on the church and that the believers here will continue to grow spiritually, and the church will have lasting numerical growth.

We are grateful for your faithful praying and for each church and individual who gives financially. You are prayed for each week. We trust the Lord will continue to bless your labors for Him.

In His Service,

David and Millie Preston
