Dear Praying Friends,

It is so good to be moved! The Lord blessed and we were able to move the week before Thanksgiving and after spending the good part of December unpacking boxes we have everything in its place. We are thankful that our daughters and their families were able to help us move. I will say we were quite a sight as we left the house in Mount Pleasant with a U-Haul leading three fully loaded pickup trucks and a loaded horse trailer; I believe we out-did the Clampetts with our move. It was also a blessing to have several from the church here help us unload and one couple prepared enough food to feed all that came out. We are thankful for the Lord's protection and provision in our move. The timing of our move was perfect in that we were able to join some families at the church for dinner on Thanksgiving and we were also able to go caroling just before Christmas.

We praise the Lord that we are able to be fully engaged in the ministry here now. We were able to get out into the apartments and town houses across from the church and begin canvassing. At present we are making preparations for the Edge2Go event that we will be hosting Feb. 10<sup>th</sup> -15<sup>th</sup>. We will be busy over the next week+ going door-to-door letting folks know about this event. It is our prayer that we'll see a great turnout of youth to enjoy the fun but more importantly to hear God's word. Please be in **prayer** that many will come and that God's Word will be received with open hearts and that many will be saved. We are excited to see what the Lord does through this evangelistic event.

In addition to the Edge2Go youth outreach this group will be helping with door-to-door each day and a couple of the men will be installing new flooring in our fellowship hall and upgrading our sound system. On top of all these things they will also be holding special services on the family on Friday evening and Saturday morning. It is going to be a packed week of activity! We are grateful for the help they want to be to Grace Baptist Church. We are also looking forward to having our pastor here during this time. Please **fervently pray** for the Lord to be glorified and for His Word to have free course and find receptive hearts both at the church and in the neighborhoods. Please be in **prayer** for traveling safety for each one that is coming to assist in this outreach.

We are truly grateful for your faithful prayers and for each church and individual that faithfully supplies our financial support each month. It is our prayer that the Lord will continue to bless your labors in your part of the field.

In His Service,

*David and Millie Preston*
